KALCARIO Shadow Natural 24"x 48"

The **KALCARIO Collection** brings the sophisticated character of **natural stone** to porcelain, showcasing the subtle texture, gentle movement, and organic appeal that make this classic stone so enduring. Offered in a versatile palette of **warm sandy tones, soft light grays, and rich dark grays**, and available in both **natural**, which is matte finish, and **polished finishes**, it creates a **refined, elegant look** across **floors, walls, backsplashes**, and other **residential** and **commercial surfaces** while providing the durability and easy maintenance of porcelain. Impervious porcelain is resistant to stains, scratches, chemicals, extreme temperatures and UV exposure.

NOTE: Polished tiles are not recommended for outdoor walking surfaces.
